Download a copy of Tallinn University of Technology campus map:

https://www.ttu.ee/public/u/ulikool/Kontaktid/kuidas_tulla_TTUsse/Campuse_kaart_2017_pdf.pdf

6. HOW TO REACH THE TALLINN UNIVERSITY OF TECHNOLOGY

From the airport

Once arrived to Lennart Meri international airport in Tallinn you can use **a taxi** which will take you from the airport directly to the student dormitory administrative office. Taxis are available right at the airport and will charge you around 15 Euros. Alternatively you can order a taxi by phone which will arrive within 10 minutes and by doing so the fee for the taxi will be slightly smaller.

You can also take a bus No. 2 (direction 'Reisisadam') in front of the airport that goes straight to the city center (stop called 'A.Laikmaa').

You can also take a tram No. 4 (direction 'Tondi') from the airport to the city centre (stop called 'Vabaduse Väljak (Freedom Square)').

From the city center take either:

trolley No. 3 from 'Vabaduse väljak' stop and get off at 'Keemia' stop that is just next to TTÜ campus.

bus No. 36 from 'Vabaduse väljak' stop to 'Tehnikaülikool' stop that is just in front of TTÜ main building.

! Tickets can be purchased either from "R-kiosk" in the airport building or directly from the bus driver. You can find public transportation fares and prices from here!
